GREEN AND PLASTIC-FREE CAMPUS POLICY

Government General Degree College Nakashipara is aware of the essential importance of environmental sustainability and the obligation to mitigate the environmental impact of our acts. The *Green and Plastic-Free Campus Policy* has been taken for more sustainable campus.

Objective:

The goal of the Green and Plastic-Free Campus Policy is to promote a sustainable and eco-friendly environment. This policy is designed to raise awareness and foster a sense of responsibility among students, faculty, and staff, empowering them to actively participate in building a healthier and more environmentally conscious future.

Extent:

This policy extends to all individuals present within the Government General Degree College Nakashipara campus, encompassing students, faculty, staff, and visitors alike.

Initiatives:

1. Green Campus with Trees and Plants:

❖ Tree Plantation:

- Conduct the tree plantation programs to enhance green cover on campus
- Planting native trees to enhance biodiversity.

❖ Landscaping:

- Create and preserve green spaces using sustainable landscaping practices.
- Incorporate green spaces into the architectural design of campus buildings and infrastructure.

2. Clean Campus Initiatives:

❖ Regular Cleaning Programs:

- Establish regular cleaning schedules to ensure the campus remains clean and orderly.
- Motivate students and staff to engage in campus clean-up activities.

3. Noise-Free and Plastic-Free Campus:

- Install informative posters encouraging a noise-free and plastic-free campus.
- Educate the community about the harmful effects of noise and plastic pollution.

4. Infrastructure:

❖ Water Conservation:

- Implement water-saving technologies for campus facilities.

5. Waste Management Processes:

❖ Liquid Waste Management:

- Educate the campus community about responsible liquid waste disposal.

❖ Solid Waste Management:

- Establish a comprehensive waste segregation system.

❖ E-Waste Management:

- Initiate e-waste collection and recycling programs.

6. Environment-Centric Awareness Activities:

❖ Plantation Programmes:

- Conduct regular plantation drives within and outside the campus.
- Engage students, faculty, and staff in tree planting initiatives.

❖ Cleaning Programs:

- Implement campus-wide cleaning programs.
- Expand cleaning activities to surrounding areas.

7. GreenAudit:

❖ Regular Audits:

- Perform regular green audits to evaluate and enhance environmental performance.
- Engage students, faculty, and staff in the audit process.

8. Energy Audit:

❖ Energy Consumption Analysis:

- Conduct energy audits to identify and address areas of energy wastage.

9. Responsibilities:

❖ Campus Administration:

- Enforce strict compliance with the Green and Plastic-Free Campus Policy.
- Monitor the progress and conduct programmes for the Green and Plastic-Free campus.
- Allocate resources to support the execution of eco-friendly initiatives.

❖ Staff and Faculty:

- Inspire and support students in embracing environmentally friendly practices.
- Embed sustainability principles into teaching and research.

❖ Students:

- Encourage and exemplify sustainable behaviours among peers.
- Engage proactively in campus sustainability initiatives.

This policy is effective from 02.08.2018.
