## 7. EDUCATIONAL TOUR

An educational tour, also known as a field trip or excursion, is a planned journey by students to locations outside their regular learning environment with the main objective of gaining real-world experiences that complement classroom learning. These tours give students opportunities to connect academic knowledge to practical situations, making learning interactive and memorable.

The Department of Education of Government General Degree College, Nakashipara organized an educational tour for the 3rd Semester students to Murshidabad, a place rich in history at 28<sup>th</sup> January 2024. During the trip, the students gained practical academic knowledge by visiting historical sites, which helped them understand the educational perspective of history more deeply. They enthusiastically participated in the tour and recorded their observations and learning in their practical notebooks.

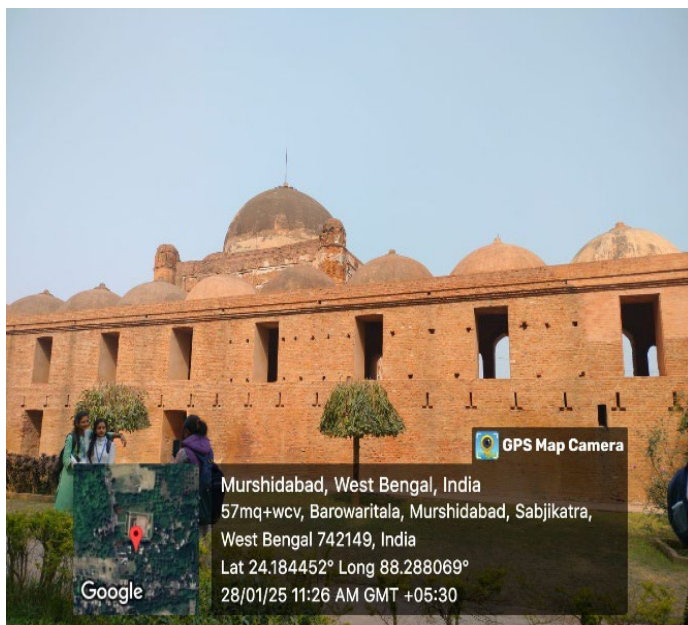

This tour allowed the students to connect classroom learning with real-world historical experiences, thereby enhancing their understanding of history through direct exposure to Murshidabad's heritage sites such as Hazarduari Palace, Katra Mosque, and Kathgola Palace, which are important landmarks showcasing the region's cultural and historical significance.
