Annual Report 2024-2025 (JUNE to May)

1. Seminar on Astrophysics

On September 26, 2024, Dr. Suman Sarkar, a National Post Doctoral Fellow from the Indian Institute of Technology Kharagpur, delivered a public lecture titled "The Cosmic Chronicle" at the Government General Degree College, Nakashipara, Muragachha, Nadia, West Bengal. The event was held in a well-attended venue at the college, where the audience showed great appreciation and general acclaim for the lecture. A total of 128 students registered for the event.

The lecture focused on topics related to cosmic phenomena. Dr. Sarkar's expertise and engaging presentation style were well received by the students and faculty present.

This successful event underscores the importance of scholarly exchanges and public lectures in enriching college communities and promoting scientific understanding among students and attendees.
